BIOGRAPHY

Rob Mullins 17th CD breaks new ground combining new genres with his early sounds to take piano music to a new level. An instant hit on KJAZZ 88.1 radio in Long Beach California, singles receiving strong audience reaction are "Escher's Etude", "Sleep Sweet", "In the Sun", and "Primetime." Mullins builds on his sound from "Soulscapes" the 80's project that brought him international fame as an American pianist and composer to delight his existing fans as well as new fans in his home state of California as well as strong UK, Japanese, and Russian markets. Mullins is involved in many aspects of the music industry as a world renowned educator, book author, composer, and live performer. He is supporting STORYTELLER with live shows in the US through 2008.
